

Curriculum Vitae

Dr. Girish Paliwal

Professor

Amity University Uttar Pradesh

Greater Noida Campus

Ph.D. (IT), M. Tech. (IT), B Level (MCA), UGC SET

OCI-GenAI, OCP-JAVA SE-11 Developer, OCDM Associate,

OCI Foundation Associate & Architect Associate

Certified Instructor of ORACLE Cloud and JAVA

CCNA R&S, CCNA Security, CCNA CyberOps Associate

Certified Instructor of CISCO Netacad

Address: *B-29(A) Aravali Vihar Phase II, Surya Nagar, Alwar, 301001 (Rajasthan)*

Mobile: +91-9351342925,

Email: girish.paliwal@gmail.com

Orcid Profiles : <https://orcid.org/0000-0001-9114-7080>

Profile Summary

- ❖ Accomplished academic professional with over 23 years of experience in teaching, research, and academic leadership in the field of Computer Science and Engineering. Currently serving as Professor – CSE at Amity School of Engineering & Technology, Amity University Uttar Pradesh, Greater Noida, gaining extensive expertise in curriculum design, research supervision, and interdisciplinary development.
- ❖ Specialized in Artificial Intelligence, Cloud Computing, Cybersecurity, IoT, and Computer Networking, with a strong foundation in tools and platforms such as NS-3, Python, Oracle APEX, Power BI, and cloud technologies.
- ❖ Published 24+ research papers, including Scopus and SCI-indexed journals, and filed 7 patents addressing real-world challenges using advanced technologies.
- ❖ Certified in Oracle (Java SE 11, Cloud Infrastructure, Generative AI) and Cisco (CCNA, CyberOps), and actively involved as a certified instructor in both domains. Successfully mentored 20+ UG/PG research projects and Ph.D. scholars in diverse areas such as IoT security, machine learning applications.
- ❖ Qualified UGC-SET (2012) and regularly contributes to academic committees, NAAC processes, and industry-academia collaborations. A member of professional bodies such as IEEE, ISTE, and SDIWC, with a strong commitment to leveraging emerging technologies for academic excellence and societal benefit.

KEY PRECIS

- ❖ Teaching, development, and research Experience 22+ years including present reputed organisation.
- ❖ Currently working as Professor – CSE, Amity School of Engineering & Technology , Amity University Uttar Pradesh - Greater Noida Campus.
- ❖ More than 24 research articles published in national/ international conference/journals.
- ❖ Qualified UGC State Level Lecturer Eligibility Test (SET) Exam- 2012
- ❖ Professional Education Ph.D. (IT), M. Tech. (IT), B Level (MCA).
- ❖ CCNA and CyberOps Certified instructor of CISCO Netacad academy.
- ❖ Completed a 4-Week Induction/Orientation Programme from 04 June - 01 July, 2020.
- ❖ Completed a Two-week Refresher course July, 2021.
- ❖ Oracle Cloud Data Management 2022 Foundations Certified Associate
- ❖ Oracle Cloud Infrastructure 2022 Certified Foundations Associate
- ❖ Oracle Cloud Infrastructure 2023 Certified Architect Associate
- ❖ Oracle Certified Professional: Java SE 11 Developer 2024
- ❖ Oracle Cloud Infrastructure 2024 Generative AI Certified Professional

Experience (22+ Years)

Oct 2025 To Cont.	Professor – CSE , Amity School of Engineering & Technology , Amity University Uttar Pradesh - Greater Noida Campus, India
Sep 2024 To Sep 2025	Associate Professor – CSE , Amity School of Engineering & Technology , Amity University Uttar Pradesh - Greater Noida Campus, India
Mar 2024 To Sep 2024	Associate Professor – CSE , Apex Institute of Technology , Chandigarh University, Mohali, Chandigarh, India
Aug 2022 To Mar 2024	Oracle Instructor-Faculty e-connectsolutions Pvt. Ltd, Udaipur working at Rajasthan Centre of Advanced Technology, Jaipur(Raj.). R-CAT is a Raj. Govt. initiative project for advanced technology.(1.8 Yrs.)
Jul 2011 To Aug 2022	Assistant Professor , Department of Amity Institute of Information Technology, Amity University Rajasthan Jaipur, India. (11.1 Yrs.)
Oct 2010 To Jul 2011	Assistant Professor , Department of Computer Science & Engineering, Jayoti Vidyapeeth Women's University, Jaipur, India(0.9 Yrs)
Aug 2009 To Sep 2010	Assistant Professor , Department of MCA, Biff & Bright College of Technical Education and Management, Jaipur, India(1.2 Yrs)
Jul 2006 To Jul 2009	Lecturer , Department of Computer Science & Engineering, Compucom Institute of Information Technology & Management , Jaipur, Rajasthan(3.1 Yrs)
Oct 2004 To Oct 2005	Faculty , ICS Computer Services, Jaipur, Rajasthan(1.1 Yrs)
Aug 2001 To Jul 2004	Faculty , Computech Computer Education, Alwar, Rajasthan(3Yrs.)

Total - 22 Years 7 Months

Experience

Current Job Role and Responsibilities

Associate Professor ASET-CSE

About- As an Associate Professor at Amity School of Engineering and Technology, Amity University Greater Noida, I am engaged in a combination of academic instruction, research, and departmental leadership within the field of Computer Science and Engineering. My core responsibilities include:

Delivering undergraduate and postgraduate courses in subjects such as C/C++ , AI ML, Data Structures, Python Programming, Cloud Security, Switched Network, Internet Communication and Security.

Supervising B.Tech, M.Tech, and Ph.D. research scholars, guiding innovative and socially impactful research projects.

Publishing scholarly articles in Scopus and SCI-indexed journals, and presenting at national and international conferences.

Designing and updating course curricula to align with emerging technologies and industry requirements under the NEP framework.

Coordinating research initiatives and interdisciplinary collaborations aligned with national goals .

Serving on academic and administrative committees, including exam, NAAC, accreditation processes.

Mentoring students for technical competitions, innovation challenges, and entrepreneurship development according to other institutional bodies.

This role reflects my commitment to academic excellence, applied research, and holistic student development within a globally competitive learning environment.

Ph.D. Research Scholars under my Guidance in Amity University

Four Research scholars was working under my guidance in different areas such as data mining, networking and security at Amity Institute of Information Technology, Amity University Rajasthan, Jaipur

1. **First Research scholar** had completed his course work successfully. His working area "**IOT devices security issues and challenges**".
2. **Second Research scholar** had completed his course work successfully. His working area "**Machine Learning Based Sarcasm Prediction**".
3. **Third Research scholar** had completed his course work successfully. His working area "**Fake news detection in social media using Machine Learning**".
4. **Fourth Research scholar** had completed his course work successfully. His working area "**Transportation traffic analysis using the simulation of available data sets**".

Student Projects Under my Guidance

1. Project Title :Helping the Supply Chain (WeAssist)

- **Student Name:** Priyam Mishra
- **Program:** Bachelor of Engineering in Computer Science and Engineering (Hons.) IBM - BIG DATA AND ANALYTICS **Semester:** 8
- **Skills:** Power BI, SQL, RDBMS, Pandas, Advanced Excel
- **Domain:** Product Based Research Development
- **Description:** The Fast-Moving Consumer Goods (FMCG) industry operates in a fast-paced environment, demanding efficient supply chain management. This project focuses on leveraging Power BI to create an intuitive and insightful dashboard that visualizes critical supply chain metrics and enhances decision-making for FMCG companies. The primary goal of this project is to develop a comprehensive dashboard using Power BI that amalgamates various data sources to provide real-time insights into the FMCG supply chain

2. Project Title :Malware Detection System

- **Student Name:** RISHI
- **Program:** Bachelor of Engineering in Computer Science and Engineering (Hons.) IBM - INFORMATION SECURITY**Semester:** 7
- **Skills:** Python, cybersecurity, data analysis and machine learning, networking
- **Domain:** Cyber security
- **Description:** This research paper introduces an advanced Malware Detection System, utilizing real-time monitoring, machine learning, and behavior analysis to proactively identify and mitigate diverse malicious software threats. The system integrates signature-based detection and network traffic analysis while managing data in a robust database. With an intuitive user interface, efficient alerting, and detailed reporting, the system enhances cybersecurity resilience. Emphasizing scalability and continuous upda

3. Project Title :Blockchain Based Voting System

- **Student Name:** Siddhant Tiwari
- **Program:** Bachelor of Engineering in Computer Science and Engineering (Hons.) IBM - INFORMATION SECURITY**Semester:** 5
- **Skills:** Programming Languages for Blockchain(solidity-ethereum/solana), Knowledge about blockchain and decentralisation, UI/UX, App/Frontend Development, Security Technologies
- **Domain:** Blockchain, Secure e-Voting
- **Description:** Electronic voting, employed in diverse forms since the 1970s, offers notable advantages compared to traditional paper-based systems, including heightened efficiency and decreased errors. Blockchain, a revolutionary technology of our time, holds the potential to enhance the robustness of electronic voting systems on a broader scale. Our project and research aims to highlight the viability of a blockchain implementation for e-voting systems and how it would be an improvement over the existing s

4. Project Title :Developing an Encryption Software with multiple features.

- **Student Name:** VARMA NEHA RADHESHYAM
- **Program:** Bachelor of Engineering in Computer Science and Engineering (Hons.) IBM- Information Security **Semester:** 5
- **Skills:** Cyber Security, Encryption, Data hiding, Information Security, Java Swing
- **Domain:** Encryption and Security
- **Description:** A full fledged desktop application for encryption purposes with different encryption algorithms and a modern dashboard. One can encrypt any file or text content easily with this tool. Concept of steganography can be also added as an additional feature.

Member of Different Academic Committees

1. Mentor of BCA and M.Sc. (Cyber Security) Students.
2. Member of Board of Studies (BOS).
3. Convener of Industry Advisory Board (IAB).
4. Member of NAAC Compilation Committee.
5. Member of Disciplinary and Anti Ragging committees.
6. Member of MOOC LMS implementation Committee.
7. Member of Institutional Research and Project Committee.
8. Member of Time Table and Internal Exam committees.
9. Mentor of BE-22BDA-2B (Big Data Analytics) Students.

Research & Teaching Interest

Area of Research: Artificial intelligence and Machine Learning.
Wireless Sensor Networking.
Cloud computing and security.
Internet of Things and Cyber Security

Teaching Interest: Cloud Computing
Python Programming
Artificial intelligence and Machine Learning
Computer Graphics
C and C++ Programming Languages
Data Structure
Linux & Shell Programming
Computer Networking
Wireless networking
Information Security Risk Assessment and Assurance
Database Management system
Distributed Operating System
Oracle Autonomous Database

Professional Skills

Programming Languages:

C Programming Language
C++ Programming Language
Python
SQL/PL-SQL
Oracle-APEX
Java SE 11
HTML and CSS
Visual Basic

Scripting Languages:

Linux Bash Shell

VB Scripting
Java Scripting
Python Scripting

Operating Systems:

Red Hat / Ubuntu Linux and its flavours
Microsoft Windows different Versions
Android Operating System
Disk Operating System
Virtualization of OS

Simulators/Tools:

LaTex
Mendeley / Zotero
Docear
ReadCueb
LibraOffice
MS-Office-365 Tools
NS-3(Network Simulator-3)
Packet Tracer
Wireshark
Generative AI Tools

Achievements

- ❑ I have written a book with collaboration on the title "Computer Network and Cryptography", SKRGC Publication, ISBN 978-93-6492-302-6, publication date 22/02/2025.
- ❑ Oracle Cloud Infrastructure 2024 Generative AI Certified Professional
- ❑ Oracle Certified Professional: Java SE 11 Developer 2024
- ❑ Oracle Cloud Data Management 2022,23 Foundations Certified Associate
- ❑ Oracle Cloud Infrastructure 2022,23 Certified Foundations Associate
- ❑ Oracle Cloud Infrastructure 2023,23 Certified Architect Associate
- ❑ CISCO CCNA and CyberOps Associate Certified instructor 2020 and running netacad Academy courses successfully from 2020.
- ❑ Qualify Rajasthan UGC-SET-Exam in 2012.
- ❑ I have written a book on the Computer Graphics and Image Processing for BCA-III year students of Rajasthan University, Published by the College Book House (CBH), Chaura Rasta, Jaipur.

Professional Educational Qualification

Doctor of Philosophy (Ph. D) in Faculty of Information Technology

Research Area: Mobile Ad Hoc Networks

Title: ANALYSIS & DESIGN OF CONGESTION RESPONSIVE ALGORITHM FOR AD-HOC NETWORK

Supervisor: Dr. Swapnesh Taterh, Amity University Rajasthan, Jaipur

Co-Supervisor: Dr. N. S. Yadav, Manipal University Jaipur, Rajasthan

University: Amity University Rajasthan, Jaipur

Year: 2019

2008-2010 M.Tech.(IT) , First Division, **80.50%**, Karnataka State Open University Mysore, Karnataka, India, KSOU M.Tech was UGC-DEB approved at the time.

2002-2007 B Level (M.C.A.) , C Grade(First Division), Department of Electronics and Accreditation of Computer Courses (DOEACC (now NIELIT)), New Delhi. Recognized as MCA Equivalent by Govt. of India (Ministry of Electronics & IT, NIELIT).

2001-2003 Graduation (English Literature), Second Division, **52.00%** University of Rajasthan Jaipur.

Intermediate(12Th) 1996 Senior Secondary, First Division, **68.69%**, Saini Senior Secondary School, Alwar Rajasthan Board, Ajmer

High School(10Th) 1993 Secondary, Second Division, **59.00%**, Pratap Govt. Senior Secondary School, Alwar Rajasthan Board, Ajmer

Certifications & Digital Badges

Creative Design in Power BI	July 19, 2024	Micrososft and offered through Coursera
Data Analysis and Visualization with Power BI	July 13, 2024	Micrososft and offered through Coursera
Introduction to Agile Development and Scrum	July 13, 2024	IBM and offered through Coursera
Docker Essentials : A Developer Introduction	July 13, 2024	IBM Developer Skills Network Issue by Chandigarh University
Deep Learning Analytics	June 28, 2024	IBM Developer Skills Network Issue by Chandigarh University
Intro to Analytic Thinking, Data Science, and Data Mining	June 23, 2024	University of California, Irvine and offered through Coursera
Introduction to Cybersecurity Tools & Cyberattacks	June 16, 2024	
Oracle Cloud Infrastructure 2024 Generative AI Certified Professional	May 29, 2024	
University Teaching	May 16, 2024	The University of Hong Kong and offered through Coursera
Oracle Cloud Infrastructure 2023 AI Certified Foundations Associate	March 03, 2024	

Oracle Certified Professional: Java SE 11 Developer	03 Jan 2024	
Oracle Cloud Data Management 2022 Foundations Certified Associate	19 August 2022	
Oracle Cloud Infrastructure 2022 Certified Foundations Associate	14 August 2022	
Instructor 1 Year of Service Issued by Cisco	17 February 2021	
CyberOps Associate Issued by Cisco	18 April 2021	
CCNA: Enterprise Networking, Security, and Automation Issued by Cisco	11 August 2020	
CCNA: Switching, Routing, and Wireless Essentials Issued by Cisco	23 January 2020	
CCNA: Introduction to Networks Issued by Cisco	21 January 2020	
Python for Data Science Issued by IBM	10 May 2020	
Data Science Methodologies Issued by IBM	6 May 2020	
Data Science Foundation's - Level 1 Issued by IBM	17 March 2020	

Membership

- SDIWC** : The Society of Digital Information and Wireless Communications
IACSIT : International Association of Computer Science and Information Technology
IAENG : International Association of Engineers
CSTA : Computer Science Teachers Association
IEEE : The Institute of Electrical and Electronics Engineers

Workshop, Short term course, Orientation / Refresher Course

S. No.	Description	Place
01.	One Week Faculty Enabled Program on Business Intelligence held at Infosys Chandigarh	Infosys, Chandigarh

02.	Attended Two- Week ISTE Workshop on Database Management Systems by IIT, Bombay sponsored by MHRD	Amity University, Haryana
03.	Attended Five days EMC ² workshop on Data Science & Big Data Analytics	Amity University, Jaipur
04.	Attended Two-Weak ISTE Workshop on Computer Programming conducted by IIT, Bombay sponsored by MHRD	Amity University, Haryana
05.	Completed 96 hours Short Term Professional Development Course on Java Fundamentals and Java Programming conducted by Oracle Academy	Amity University, Jaipur
06.	Attended Two-Weak ISTE STTP on Pedagogy for Effective use of ICT in Engineering Education by IIT, Bombay sponsored by MHRD	Jaipur Engineering College, Jaipur
07.	DST sponsored Short Term Training Programme on "Research Tools in Pure and Applied Mathematical Sciences"	JK Lakshmipat University, Jaipur
08.	One Weak Workshop on Network Simulations Using NS3	RK University, Rajkot
09.	Two weeks Workshop on Cyber Security and Cloud Computing	Amity University, Jaipur
10.	One Week National Workshop on network simulator NS3	Amity University, Jaipur
11.	One month CISCO Instructor training program	Amity University, Noida
12.	Faculty Development Program on " Python and Emerging Trends in Machine Learning"	Forsk Coding School, Jaipur
13.	A 4-Week Induction/Orientation Programme course by PMMMNMTT, Teaching Learning Centre	Ramanujan College , Univ. of Delhi
14.	Two week Refresher course by PMMMNMTT, Teaching Learning Centre	Ramanujan College , Univ. of Delhi
15.	One Week FDP on Blockchain Technology : Innovations and applications	Amity University Greater Noida
16.	Online National Seminar on Recent Trends in the Field of Electronics and Communication Engineering	Teerthankar Mahaveer University

PERSONAL PROFILE

Date of Birth : 15th Sep, 1978
Father's Name : Shri Narendra Kumar Paliwal
Language Known : Hindi & English
Marital Status : Married
Children : (Two) 10 Years son and 17 year's Daughter
Permanent Address : House No B-29(A) Aravali Vihar Phase II, Surya Nagar,
Alwar, 301001 (Rajasthan)
Interests : Learning Latest Technologies, Accept challenges to
implement new concepts of technologies, Surfing to find new things , Playing Chess,
volleyball, lawn Tennis.

I hereby declare that the information given above is true to the best of my
knowledge & belief.

Date:

Place: Jaipur, Rajasthan
